

ESG Consultant

Millani is the leading ESG advisory firm in Canada, headquartered in Montreal, providing advisory services to investors on how to integrate ESG and sustainability considerations into their investment and reporting processes. As well, we advise companies on how to identify, articulate and disclose their financially material ESG topics to investors and other stakeholders. We are uniquely positioned to build bridges between both the investment community and corporations.

We are currently looking for an **ESG Consultant** with sustainability and capital markets expertise to join our team.

Your role:

- Conduct data collection and research on clients' and peers' positioning, current market trends, regulatory developments in responsible investing and sustainability disclosures and other related topics
- Synthesize takeaways from analysis into clear recommendations
- Participate in collaborative brainstorming sessions to identify and present recommendations
- Summarize and analyze information collected to support advisory services
- Organize and format information in a visually compelling manner to facilitate communication and transmission of deliverables to clients
- Support the creation of methodologies and processes to accompany clients

Your profile:

- Bachelor's and/or Master's degree in Commerce, Finance, or Sustainability
- 3+ years' experience in the capital markets/public markets and/or financial sector, ESG/responsible investing and/or consulting experience
- Demonstrated interest in sustainability or responsible investing

Nice to have:

- Degree or courses in sustainability, responsible investing, or impact investing
- CFA charter, CFA ESG or Impact Investing Certifications, SASB FSA credential or SIPC designation
- Knowledge of climate change and/or experience with climate-related reporting or Task Force on Climate-related Financial Disclosures (TCFD), and/or demonstrated understanding of biodiversity principles and practices or Taskforce on Nature-related Financial Disclosures (TNFD).

Your competencies:

- Bilingual in English & French, written and oral
- Strong analytical and critical thinking skills
- Excellent communications skills, written and oral
- Proficiency in using Microsoft Office, especially PowerPoint and Excel
- Ability to work both independently and in a team environment
- Sound work ethic, capacity to meet tight deadlines and proven multi-tasking skills

Term of mandate: Full-time. Anticipated starting date August / September 2024.

Location: Montreal or Toronto.

We invite interested candidates to forward their resumes, along with a one-page cover letter to info@millani.ca by July 19th, 2024.

Only selected candidates will be contacted.
